Faber Music Ltd. Paperback. Book Condition: new. BRAND NEW, Improve Your Scales! Grade 5 (2nd edition), Paul Harris, Improve your scales! Is a new method for learning scales that form an integral part of playing an instrument. It will encourage a methodical and thoughtful approach and provide some solutions to common memory problems. This tutor is ideally used in conjunction with 'Improve your sight-reading', to give these often neglected areas of learning a more central role, making pupils more musically aware and allowing the teacher to concentrate on teaching the music. This new edition of this popular series includes all the scales and arpeggios for Associated Board exams and supports the new syllabus requirements from 2009.
