Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from New Practical English Grammar: For Use in Business Colleges, Academies, Normal and High Schools, and Advanced Classes in Public Schools The design of this book is to present the essential features of grammar briefly enough to enable the student to complete the course of lessons in a comparatively short time, and to accompany the statements of principles with sufficient illustrative material to make the study interesting and profitable. A feeling of dislike for the study of grammar is not uncommon with the student where his work is confined largely to rules and principles, and little opportunity or encouragement is given him to illustrate and apply the knowledge gained. The study of principles is essential and must be insisted upon, but the feeling of dislike may be changed to one of favor if the study of grammar and the study of language be made to go hand in hand, especially if the illustrations given in the book and those drawn from the student are in keeping with his best efforts in conversation and sentence making. It...
