White Pine Press. Paperback. Book Condition: new. BRAND NEW, To Mend the World: Women Reflect on 9/11, Isabel Allende, Betty Jean Craige, Marjorie Agosin, This collection of essays is the first to examine the events of September 11, 2001 from a woman's point of view. Shortly after the terrorist attack on the United States, Marjorie Agosin and Betty Jean Craige asked women writers to think about both the effects and the causes of the attack and to reflect on what might be done to make a safer global community. Women of varied ethnic and religious backgrounds responded, and their reflections create a multi-dimensional image both poignant and provocative.
