WestBow Press, United States, 2015. Paperback. Book Condition: New. 279 x 210 mm. Language: English . Brand New Book ***** Print on Demand *****. Mothers face a huge balancing act each and every day, and they are in need of tremendous support and encouragement. Author Josie Aenis, a women's fellowship leader, saw this need and established an outreach program that focuses on moms at each stage of mothering, sharing the Word of God. In It's 4 uMom, Josie shares the details of the community outreach initiative she founded for her church, and she demonstrates how it can assist other churches in reaching the community for Christ and growing the congregation through building relationships. An evangelical tool, this step-by-step guide provides a description of the program and defines the key roles and responsibilities. It provides timelines and checklists for the major functions, and it gives samples of charts, forms, letters, sign-up sheets, meeting formats and themes, speaker ideas, mailing lists, flyers, and newsletters. A new method of reaching people for Christ, It's 4 uMom was founded on the principles of prayer and direction from the Holy Spirit to help church women become soul winners--a positive outcome for both the church and today's mothers.
