Threshold Editions, United States, 2009. Paperback. Book Condition: New. Reprint. 232 x 154 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Now in paperback, the extraordinary and sweeping memoir of one of the most revered families in America--the Buckleys. The Buckley name is synonymous with a unique brand of conservatism--marked by merciless reasoning, wit, good humor, and strong will. Self-made oil tycoon William F. Buckley, Sr., of Texas, and his Southern belle wife, Aloise Steiner Buckley, of New Orleans, raised a family of ten whose ideals would go on to shape the traditionalist revival in American culture. But their family history is anything but conventional. Begun in Mexico, and set against a diverse international background, theirs was a life built on self-reliance, hard work, belief in God, and respect for all. It is no wonder the family produced nationally recognizable figures such as columnist and commentator William, Jr., New York Times bestselling satirist Christopher, and New York senator James. With charm and candor, youngest son Reid, himself the founder of the Buckley School of Public Speaking in South Carolina, tells the enormously engaging and entertaining--and sometimes outrageous--story of a family that became the mainstay of right-wing beliefs in our politics and culture. An American Family is an epic memoir that is sure to appeal to conservatives, liberals, and moderates alike.
