CLARK WHEN the War was still raging in Europe, and black-out came down soon after sunset, there was really very little to talk about that gave one real satisfaction but Food and especially What I Should Like to Eat Now. In the middle of an entrancing conversation with an old friend about what we had most enjoyed for dinner six years ago, the first faint prenatal stirrings of this book took place. The talk branched off towards breakfast, and the right way to cook bacon, My difficulty, said Aubrey, is that there are no cookery books or none that I can find that tell you how to boil eggs, how to make tea and coffee, how to boil potatoes, and so on, Surely, I said, everybody knows those simple things by nature. They don t, Aubrey protested, at least I don t. I have had to work by trial and error. Why don t you write a book for bachelors? So this book was first thought of, and soon after it began to come into being. It will be of no interest to those who know how to cook already. There are not many new recipes in it, although there are some. But it does tell you how to set about getting ready a meal for one and sometimes even for two or more, if...
