

The Truth About Hormones

By Vivienne Parry

Atlantic Books. Paperback. Book Condition: new. BRAND NEW, The Truth About Hormones, Vivienne Parry, A paperback that puts the reader back in control of their hormones by explaining what's going on when they're tetchy, spotty, tearful, fearful or just plain awful. Hormones rule our internal world: they control our growth, our metabolism, weight, water-balance, body clocks, fertility, muscle bulk, mood, speed of ageing, whether we want sex or not (and whether we enjoy it) and even whom we fall in love with. Their effects may occur in seconds and be over in a flash, or emerge over months and last for years. In "The Truth About Hormones", Vivienne Parry explains how exactly these mysteriously powerful chemicals affect our bodies and our behaviour.

Reviews

It is one of the most popular publication. It really is written in easy words and not difficult to understand. You are going to like how the author writes this book.

-- Prof. Evans Balistreri DDS

Completely essential go through book. This is for all who state there had not been a worthy of reading through. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- Lydia Legros
