Crash Course: Imagining a Better Future for Public Education (Hardback)

By Chris Whittle

Riverhead Books, United States, 2005. Hardback. Book Condition: New. 230 x 160 mm. Language: English . Brand New Book. The visionary founder of Edison Schools and Channel One shares the hard lessons of life on the front lines of education-and charts a breathtaking new direction for safeguarding the future of our children. Imagine that upon your arrival at an airline ticket counter, you are told that only 65 percent of the flights to your intended destination actually even arrive. The remainder crash en route. And, if you are a child of color, or poor, you are required to fly on special, poorly maintained planes-of which only 35 percent make it. Sounds crazy, right? But this is exactly the deal that, as a nation, we are serving up daily to millions of children in thousands of our public schools. On average, only two-thirds of American public school children graduate with basic or above-average math and language skills. And for poor children and/or children of color, that number is far worse. Faced with a seemingly irremediable situation, fifteen years ago Chris Whittle decided to take action. The company he founded, Edison Schools, is now the country's largest private manager of public...
