The book is great and fantastic. It is written in straightforward words and phrases rather than difficult to understand. You won't really feel monotony at any time of your respective time (that's what catalogues are for regarding should you question me).

Brand New Book ***** Print on Demand *****.Excerpt from A Beginners Course in Bible Study: Issued by the American Section of the International Lesson Committee, for Pupils Under Six Years of Age The new two-year Beginners Course which is given in full on the following seven pages, and the second year of which is taught by Mr. Archibald in this book, is a New course, and is not a continuation of the one-year course which appeared in 1901. Some teachers have mistakenly supposed that a class which has used the course of 1901 is therefore ready for the second year of this new two year course. This is not so. It is true that some of the lesson material of the former course appears in the first year of the new course, but the plan and material of the new course, taken as a whole, are so different from that of the old, that the advice of Mrs. J. W. Barnes, International Primary Secretary, on this point is: Begin with the first year of the new course.
