

A Life A'wheel: The 'Auto' Biography of W. de Forte

Filesize: 2.89 MB

Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. Its been designed in an exceptionally simple way and is particularly only right after i finished reading this ebook in which basically modified me, alter the way i believe.

(Prof. Loyce Runolfsson Jr.)

Veloce Publishing Ltd. Paperback. Book Condition: new. BRAND NEW, A Life A'wheel: The 'Auto' Biography of W. de Forte, Richard Skelton, Born in Shropshire soon after the end of the First World War, venerable motoring writer W de Forte has driven everything from his grandfather's first Daimler, to modern-day supercars . ridden everything from vertiginous Victorian penny farthings, to high velocity twenty-first century superbikes . travelled everywhere from the permafrost of the Arctic Circle to the baking sands of the Baja Peninsula . and met everyone from Tazio Nuvolari to Valentino Rossi.W de Forte enjoyed an eventful career as a top-level journalist, spanning 75 years, during which time he tested many thousands of cars and reported on countless automotive events around the world. This made him uniquely qualified to comment on all aspects of classic and vintage motoring and motorcycling.Relatively undimmed by age and ague, even in his mid-90s, de Forte had no plans to retire, but, in late 2014, a high-speed prang while testing a wayward Rudge Ulster at a racing circuit in Belgium brought him up with a jolt, both literally and metaphorically. After recuperating in hospital, he settled down to write his long-awaited and much requested auto-biography.This unique and insightful book is the result. Packed with fascinating stories about classic cars and motorcycles, A Life A'wheel - the 'Auto' Biography of W de Forte is an account of an extraordinary motoring life, and the story of motoring in the 20th century.
