*A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).*

SportsBooks Ltd. Hardback. Book Condition: new. BRAND NEW, Fitba Gallimaufry: Essential and Obscure Facts from the History of Scottish Football, Adam Scott, This book supplies the answer to the question: "Who has played football for Scotland and cricket for England?" Answer at bottom. Scottish football writer Adam Scott, The Independent and Time Out among others, has collected together the fruits of a life-long obsession with Fitba (Scottish for football!). Gallimaufry is a noun meaning hotchpotch, a jumble or a confused medley. Pronounced 'galli-may-fri' it has its origins in French. The book contains gems like the fact that Bovril, traditionally the drink of the terraces, was invented by a Scot for Napoleon's army. Also that Kilmarnock's most recent claim to fame was winning the Pie of the Year trophy in 1996. (And there is a recipe in the book just in case they've sold out or someone has eaten them all). And did you know that on the day Arbroath beat Bon Acor 36-0 - which as every schoolboy knows is the highest score in a first class match - Dundee Harp (a forerunner to the modern Dundee United) battered Aberdeen Rovers 35-0? Dundee's captain Tom O'Kane sent a telegram to his former club Arbroath to gloat about the score, little realising what Abroath had done on the same day. This is the ultimate book on Scottish football, both for the casual fan and the obsessive. Plus it is a must for compilers of pub quizzes. Answer: Denis Law and Geoff Boycott; Kenny Dalglish and Freddie Flintoff. Read the question again.
