Brand New Book ***** Print on Demand *****.Excerpt from A Book for Massachusetts Children: In Familiar Letters From a Father; For the Use of Families and Schools The following little work, especially designed for the children of our Massachusetts primary schools, who are just beginning to read, first appeared near thirty years ago. It was, perhaps, the first American work of the sort; and, though it has had many imitators and rivals, there is room for doubt whether any of these surpass, or even equal it, in the object at which it aims. That object is, to provide for the children of Massachusetts a book, the style of which is suited to their apprehensions and tastes, at the same time that it contains a great deal of useful information, and incidentally answers a great number of questions which intelligent children are constantly in the habit of asking about things which they see and hear of. That the book is perfectly comprehensible by children, and that they read and study it with interest and pleasure, many teachers and parents who have used it can testify. At the same time it contains an account of Massachusetts, so full and instructive, that even parents and teachers may often consult it with advantage. After having been for some time out of print, a new and revised edition is now brought out, with many alterations and additions, so as to give a description of the State precisely as it now is.
