Excerpt: . . . 11 CUP water, and this bill will provide it with an opportunity to develop needed water resources. This bill would not increase the level of authorized appropriations for the Central Utah Project Completion Act, but would allow Juab County to compete for funds in the same way that its five sister counties do today. Madam Chairwoman, this bill would allow Juab County to efficiently develop its water resources, and the Administration is pleased to support it. This concludes my testimony. I am happy to answer any questions. URKOWSKI Senator M. Thank you very much. Mr. P. Thank you. ELTIER URKOWSKI Senator M. At this time, Id ask either Senator John-son or Senator Smith if you care to comment on either of the - I guess any of the legislation we have which have been sponsored by Senator...

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.
