Pearson Education (US), United States, 2016. Hardback. Book Condition: New. 8th Revised edition. 276 x 216 mm. Language: English . Brand New Book. For courses in Lifespan Development A compelling blend of lifespan development research and applications Development Across the Life Span provides a chronological overview of human development from the moment of conception through death, examining both the traditional areas of the field and more recent innovations. Author Robert Feldman focuses on how developmental findings can be applied meaningfully and practically, helping students to recognize the relevance of the discipline to their own lives. Thoroughly updated with the latest data and contemporary examples, the Eighth Edition better engages students in key concepts via recent news items, timely world events, and contemporary uses of lifespan development. Also available with MyPsychLab(R) This title is also available with MyPsychLab - an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. Within its structured environment, students practice what they learn, test their understanding, and pursue a personalized study plan that helps them better absorb course material and understand difficult concepts. Students, if interested in purchasing this title with MyPsychLab, ask your instructor for the correct package ISBN and Course ID.
