ACC Art Books. Hardback. Book Condition: new. BRAND NEW, Spot the Book Title: A Collection of Cryptic Nonsense and Pointless Hidden Meanings, Simon Drew, Simon Drew's sense of humour is an acquired taste it may be a moot point whether it is worth acquiring, yet thousands of fans around the world have clearly already succumbed to its questionable attractions. These converts will clearly appreciate this new and puzzling collection of nonsensical puzzles. This is a book to exasperate and annoy: the only way to solve the puzzle drawings is either to start with a warped mind or put yourself through such gymnastic mental contortions that your mind ends up warped and twisted as a result. The existing Drew devotees should find no problem with this. To offset these mind-blowing puzzles this compilation also includes a selection of Drew's other pointless pictures accompanied by truly agonising verse. Whether this is to mitigate the unfortunate side effects of the puzzles or whether the puzzles are there to distract you from the verse is not made clear. Simon Drew enjoys a dedicated following of like-minded enthusiasts of bizarre humour and it is an ever growing band. If you have not as yet dipped into the pages of his books now is the time to give it a try - you will either hate them or love them.
