He proposed, however, that instead of an early breakfast they walk along the beach and get a look at the early morning life and add a zest to their appetites. That suits me first rate, Hal replied; but I feel already as though I could eat an elephant. All right, then, we ll have to catch two elephants for the lad, retorted Ned. Let s see whether we can t find our breakfast in true explorers style, just as we did last night, and not have to depend on those cans of stuff from New York that anybody can have. The tide was going out, and the hard, firm beach made a delightful pavement. On this they found many specimens of two kinds of tiger-beetles new to them, several queer sea-shells, and some tiny crabs and jelly-fish. The former they collected, but with the latter two they contented themselves with mere examination, as the Doctor told them they could find plenty of the same things at the island of Great Inagua,...
