Reviews

I actually started off looking at this pdf. It is one of the most amazing pdf i have got read. Once you begin to read the book, it is extremely difficult to leave it before concluding.

MUSEUM OF MODERN ART, United States, 2009. Paperback. Book Condition: New. New.. 202 x 152 mm. Language: English . Brand New Book. Claude Monet (1840-1926) devoted the last 25 years of his career to paintings of the Japanese-style pond and gardens of his house in Giverny, France. Two of these luminous panels *Reflections of Clouds on the Water-Lily Pond* , a mural-sized triptych, and *Water Lilies* , a single canvas are among the most well-known and beloved works in the collection of The Museum of Modern Art. These late works were for many years less appreciated than Monets classic Impressionist works, being considered unstructured, even unfinished, but with the emergence of Abstract Expressionism in the 1950s, Monet became an extraordinarily relevant predecessor. In 1955 MoMA became the first American museum to acquire one of Monets large-scale water lily compositions. In 1958, when a fire destroyed this and another water lily painting, the publics widespread expression of loss led to the acquisition of the works currently in the collection. This lively volume recounts the history of Monet s water lilies at the Museum and, through interviews with contemporary artists, underscores the paintings resonance with the art and artists of the last half-century.
