Createspace, United States, 2013. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.This book is part of The Integrated Life(TM) series. THE CONCEPT: In the pursuit of economic survival, bodily sustenance and social acceptance, people often (1) disregard their passion in order to focus on a practical career, (2) allow their diet to undermine their health, and (3) deny their sexual and gender wiring in order to conform to societal concepts of relationship. Therein lies the majority of unhappiness in our modern life. The solution is to live the integrated life! Take the Integrated Life(TM) online test at // and discover how integrated these areas of your life are! Then, read the book to learn what to do about it! ***** THE DEFINITION: ducks in a row: Everything is ready, all preparations are complete. To have everything just the way you want it before you take the next step. usage example: I definitely want to quit my job and pursue my passion, but I want to get all my ducks in a row before I hand in my resignation. THE FLAW: I've never met a set of ducks who liked standing in a row for too long. Sure, we've all seen ducks in a row. The trouble is, watch them long enough and they eventually break formation. In other words, if you're waiting for things to be perfect and stay perfect for before you act on your dreams in general, and if your success quitting your job and becoming an entrepreneur in particular is contingent on those ducks staying in line for the duration of your adventure in freedom, you might be in for a rude awakening. THE TRUTH: It's not about the freakin ducks!! It...
