Bourbon Street Books, United States, 2014. Paperback. Book Condition: New. 202 x 132 mm. Language: English . Brand New Book. FBI agent Jessica Blackwood believes she's left her complicated life as a gifted magician behind her . . . until a killer with seemingly supernatural powers puts her talents to the ultimate test. A hacker who identifies himself only as Warlock brings down the FBI's website and posts a code in its place that leads to a Michigan cemetery, where a dead girl is discovered rising from the ground . . . as if she tried to crawl out of her own grave. Born into a dynasty of illusionists, Jessica Blackwood is destined to become its next star until she turns her back on her troubled family to begin a new life in law enforcement. But FBI consultant Dr. Jeffrey Ailes's discovery of an old magic magazine will turn Jessica's world upside down. Faced with a crime that appears beyond explanation, Ailes has nothing to lose and everything to gain by taking a chance on an agent raised in a world devoted to achieving the seemingly impossible. The body in the cemetery is only the first in the Warlock's series of dark miracles. Thrust into the media spotlight, with time ticking away until the next crime, can Jessica confront her past to stop a depraved killer? If she can't, she may become his next victim.
