*A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

Cornerstone. Paperback. Book Condition: new. BRAND NEW, Letters from Women Who Love Too Much, Robin Norwood, The internationally bestselling author Robin Norwood responds to letters from women who need advice and help in their recovery from addiction - whether drugs, alcohol or dangerous men. In her bestselling self-help book, Women Who Love Too Much, Robin Norwood revolutionised the way we look at love, with a compassionate, intimate book offering a detailed psychological recovery programme for women who love too much - women who are attracted to the wrong men, who neglect their own interests and friends and who are unable to leave tormented relationships for fear of being 'empty without him'. It is a book that speaks to nearly every woman who has ever loved and lost. In this follow-up to her bestselling book, Robin Norwood presents selected letters from readers about their reactions to the book. Norwood, a Dallas therapist, responds to her correspondents with diagnoses of the maladies they describe. The book, "a closer look at relationship addiction and recovery," is divided into 10 sections involving women who are battered, in therapy, addicted to drugs and/or alcohol, as well as to dangerous men. Although the letters are filled with pain, they also express hope for new beginnings, together with thanks from women who say they have learned that they are not alone in their suffering. The closing chapter is devoted to letters from men describing their own destructive relationships.
