Reviews

Thorough information! Its such a good study. Sure, it is perform, still an amazing and interesting literature. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Westbow Press. Paperback / softback. Book Condition: new. BRAND NEW, Watcher in the Woods, Robert Liparulo, It's not just the house that's keeping secrets. Pretending everything's all right is harder than it sounds. But the Kings know that even if they told the truth about the bizarre things happening in their house, no one would believe them. They're hyper-focused on rescuing their lost family member before anyone finds out what's going on. But when a stranger shows up to take their house, their options start dwindling fast. Why would he be so interested in a run-down old place? And what secret is he hiding--just as he hides the scars that crisscross his body? The mystery gets stranger with each passing day. Will the Kings be able to find a way to harness the house's secrets and discover who is watching their every move before another gets snatched into an unknown world?.
