Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from First Annual Report of the Geological Survey of Ohio: Third Organization This first annual report of the Geological Survey of Ohio under its new organization has, to some extent, fallen short of the purpose with which it was begun. It was intended that the report should furnish a review of the various mineral interests of the State, brought down to the date of publication. Under this plan, which is deferred rather than abandoned, the new facts pertaining to our coal resources and their practical development, to our quarries, to our clay deposits and the manufactures based on them, to our limes, cements, marls and plaster beds as well as to petroleum and gas would all find place in the annual report of the survey. The interest at present pertaining to the last subject named in the list given above has, however, been so deep and wide-spread and its economic importance has proved so large that the logic of events has rendered it necessary to devote this entire report to Natural Gas and Oil. It has thus...
