Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Michael Dalgleish finds himself and his long time friend Peter standing on a hilltop overlooking a horrifying blood sport event which involves ending the lives of large numbers of people for entertainment. They stand at a critical crossroads in the nation s history in-which such horrific events are allowed to happen as a result of a decades long transformation of the nation and the world. His friend, Peter, disgusted by the grizzly spectacle, half rhetorically and half seriously, asks him how the world has sunk so low so as to come to this place in time. Michael, having been involved first-hand in the events which led-up to the transformation and the present circumstance, begins to relay to Peter and many others the answer to the question through a long flashback narrative story, reaching back several decades. As he begins his story, he recounts that he was brought up with a deep admiration for his father, an engineer, who founded a company (Dalbots) to make automation equipment. His father plays a key role as prime-catalyst to the transformative events, which start after the company won a contract from the US government, based on his technology approach for solving the deep financial crisis the nation finds itself mired in. The company, Dalbots, produces a line of life-like humanoid robots, which are initially only available for industrial and government use. The machines are designed as labor and cost saving equipment for industry, which is driven by the profit motive to reduce labor costs, which means replacing people from their jobs. The problem is, people are not like the machines replacing them, and will not just lay down and let themselves...
