## ALONE AT SEA: GLOUCESTER IN THE AGE OF THE DORYMEN 1623-1939

[DOWNLOAD PDF](#)

David R. Godine Publisher Inc. Paperback. Book Condition: new. BRAND NEW, Alone at Sea: Gloucester in the Age of the Dorymen 1623-1939, John N. Morris, It is a richly detailed and fascinating history of one of North America's oldest and most colourful fishing ports. The port of Gloucester, nestled under Cape Ann in Massachusetts, has been a focus for seafaring stories from "Captains Courageous" to "The Perfect Storm". From its first settlement to its present struggles, the town has seen its share of boom and bust, expansion and retraction, loss and tragedy. The author's grandfather, Steve Ollson was lost at sea in 1935, in a dory, trawling for halibut. With more than seventy vintage photographs and maps, an extensive glossary of fishing terms, and a detailed chronology of the Gloucester fleet, including all the fishermen and vessels lost at sea since 1693, "Alone at Sea" is the most comprehensive record yet attempted to bring the history of Gloucester - the oldest, most dramatic, and colorful fishing port in the Western hemisphere - to life.
