Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Electro Astronomical Atlas: Designed for Schools, Academies and Ladies Seminaries; With Explanatory Notes, Questions and Answers The design of the author in presenting this work to the public is: To meet a great want in giving instruction in the interesting science of Electrical As Well As Physical Astronomy. Hitherto, the knowledge of Astronomy has only been taught in our Universities, Colleges and High Schools, and in them in a very limited manner, hence, those in our public schools have been entirely deprived of all knowledge of this useful branch of education. Teachers of public schools have heretofore felt great embarrassment on introducing this branch of instruction in such schools, because of their incompetency to impart instruction to their pupils in the science, hence their objection to its introduction. This objection is entirely removed in presenting this work. It not only presents to the teachers an easy method of gaining instruction in the science, but an easy and pleasing way of imparting the same to their pupils. It is the purpose of the author to present...
