You are here today because your ancient ancestors cooperated to survive a brutal environment with life threatening predators. That herd mentality backfires when investing. Can you overcome your instincts to sell low and buy high with the rest of the crowd? Read a few paragraphs of Dale Buckner's book and you too can profit from the mistakes of others. About the Author: Dale Buckner has spent his 25-year career as a financial planner helping people avoid the mistakes that wreck most financial plans.
