Cord Mason was a man on a mission. His was a self-appointed mission of vengeance and justice; the justice that comes from the smoking barrel of a .45 Colt. He was obsessed with tracking down and killing those who had wronged him back in Texas. His trail of blood had led him into Colorado, Wyoming, and now into the canyon country of New Mexico. His future had been snatched from him, and retribution for the past was the only thing driving him. Little did Cord know that a preacher, a beautiful Mexican girl, and a savvy old mountain man would change his life forever. This is a story about a trail of blood and vengeance, but also a trail of redemption. Ride with us back to 1881 New Mexico as we look into the soul of a broken man who comes face to face with God on the Trail To Rio Blanco. This item ships from La Vergne, TN. Paperback.

Reviews

This book is definitely worth acquiring. I have gone through and so I am certain that I will likely to read through again again in the future. It's been printed in an exceptionally basic way in fact it is only after I finished reading this publication in which actually altered me, change the way in my opinion.

Comprehensive guide for publication fanatics. This really is for all who state there had not been a well worth reading through. I discovered this ebook from my dad and I encouraged this book to find out.
